

Proposed language for Board consideration and approval

Re: Definition of RAC participation for Stroke facilities, effective 10/19/2009:

*With the goal to engage SETTRAC hospitals and EMS agencies and monitor stroke care and transport, stroke centers/facilities must*

- 1. Participate in at least 50% of Stroke Committee quarterly conference calls allowing designees to represent committee members in their absence*
- 2. Attend the annual in-person meeting*
- 3. Submit monthly stroke data to SETTRAC*
