Estricklin1@gmail.com

**This two-day conference will provide a dynamic outlook of trauma care.**

The purpose of this educational activity is to provide registered nurses, EMS personnel and physicians with information on current criteria for assessment and management of selected adult and pediatric trauma victims. Registered Nurses may utilize this knowledge to select appropriate strategies for nursing intervention based upon the identified needs of the trauma victim and prevent trauma related complications in the various practice setting.

Early Bird Registration  
Two Day \$ 75

Early Bird Registration  
One Day \$ 50

**Early Bird Registration Ends  
JULY 26th.**

Late/On-Site Registration  
Two Day \$ 90

Late/On-Site Registration  
One Day \$ 60

Student fee \$25/day  
No CE hours awarded, must present student ID on-site.

Registration fee includes conference materials, continuing education hours for registered nurses & EMS, continental breakfast, break snacks and lunch.

Conference details, hotel information, on-line registration and faculty information can be found:
